Loeota,

Just a quick note to let you know the PCS board discussed the van repair issue at the special board meeting last night.

The board has decided that the expenses we have incurred to date on the vehicle (\$1500-2000) will be donated to the Philomath

Gleaners at no charge. PCS no longer insures the van, and we are going to sign the title over to your program after some conditions

have been met. The board will be discussing the conditions of transfer with Susan James at Linn Benton Food Share and yourself as program manager. We hope this will clear up the issue of PCS having not handled the donation from Canyon Gleaners properly.

We will notify the Canyon Gleaners of this action.
