Subject: meeting

Hi Jeff,

I just had a conversation with Dean Hart about the Wood Share issue and his receipts that he turned into PCS. It seems that there is hard feelings and misunderstandings that need to be addressed. I think that the only way to resolve this before it really gets heated is if we meet with Dean and Don together. If you are in agreement, I would like to schedule a meeting in Philomath with you and/or additional board members, Don, Dean, and myself. Do you have any free time either Thursday before noon or next Monday before 3:00?

Thank you

Susan
