Subject: documents to be delivered to GT on Monday

To: Carey Oien <oienst@peak.org>, Dot Richardson <bentondot@peak.org>, Peggy Clark <pclark@peak.org>, Chris Shonnard <chris@shonnards.com>, Leota Hutsell <dlhljh@peak.org>, Lupe/Bardon Maginnis <bardonlupe@peak.org>, Aaron Rutledge <aaronrutledge@comcast.net>, Betty Hooper <budderfly257@gmail.com>, Colene Lamberty <lcllacy@msn.com>, Randy Kugler <philomath.admin@ci.philomath.or.us>, Sharon Thornberry <sthornberry@oregonfoodbank.org>

These are the documents that we can deliver to Bennett Hall of the GT on Monday. YOUR name will be removed from any of these documents if you want it removed!!! Please just let me know. On the cover letter document, I am missing Bardon's phone number. Also, I will be removing email addresses of board members from that document, as they are not for publication. However, addresses and phone numbers are needed for public records, although if any of you know that there are some "private" cell phone numbers listed, please let me know and we will remove them from the document we turn in to Bennett. I will be sending the "bullet points" to Mike Gibson, Susan James, Colleen Dyrud and Ryan McCambridge of LBFS to make sure that we are okay in listing them as people who can speak to item # 10.

You'll notice that I moved some of the bullet points to the list of "attachments" to the cover letter, to simplify things a bit.

Please also correct (or condense) my glowing words about your program. That part may be a little long, but I wanted us to start with the positive of what is going right at PCS. IMHO, our programs are working together better than they ever have before.

Aaron and Bardon, I added you as board members (or former board members) to keep Peggy company in that arena. The rest of us are directly connected to individual programs. We will all totally understand if you want to have your names removed, as you have not been a direct part of our deliberations the last couple of days. We decided to take this route at the urging of Randy Kugler, the city manager of Philomath, and Sharon Thornberry, a Philomath citizen who works for Oregon Food Bank. 

AGAIN, LET ME KNOW (via email preferably) OF ANY CHANGES YOU WANT ME TO MAKE!! It would work best for me if we met or mid-afternoon on Sunday (around 2 or 3 p.m.??). Call me (after 4:30 p.m. on Saturday) or email me, and let me know if that will work for you. If there are changes you make via email, I won't be able to get to them until late Saturday afternoon. Saturday from 9 a.m. until 4 p.m. I'd like to be left in peace to can tomatoes without any PCS distractions that aren't absolute emergencies. (PCS has taken my whole day today!!!).

As we fight for the folks who are the recipients of our much needed services, we know that justice is on our side. It is an honor to work with all of you. Peace, Sara
