Community Garden

August 7, 2012

City Of Philomath

Mayor, Councils and Staff,

PCS will be hosting a barbeque honoring the many volunteers that support our various programs. This will be held Saturday, August 25th at 12:30 P.M. at our facilities site, 360 S. 9th Street, Philomath. Everything is provided and children are welcome. The barbeque will be held next to Lupe's Community Garden, our beautiful community garden located just past our building, where our participants and volunteers have been doing an outstanding job of working together to grow vegetables and flowers galore, and donate surplus to our programs.

We are also honored to have as our special guest Senator Ron Wyden, who will be touring our community's wonderful facility.

Please extend this invitation to your Board Members, Staff and Families to join us.

Please review the special invitation that is enclosed with this letter.

Sincerely,

Jeffrey R. Lamb, President
