Rocky,

Here is what I know about this matter. Sharon has asked for Ken to be discreet in how this information is shared.

Hi Ken,

I just sent this email to Don Gist and copied Angie at the email I found on the city's website. Have you had the chance to talk to her? They have requested that the gleaners get their own 501©3 and they will then rent space to them in the building. This request was communicated by Don Gist to Susan James, the Volunteer & Gleaning Coordinator at Linn Benton Food Share.
